

CHILD WINDOW SAFETY DEVICES - IDENTIFICATION SHEET

It would take one tradesperson approximately 450 work years to install all of the window locks required in NSW to meet the new Child Window Safety Device legislation. With good trades people in high demand you need a good team, a good plan, and to ACT NOW.

Please see the window examples below if you are unsure what window type you have within your unit.

Let Solutions in Engineering help lighten the load and take the compliance monkey off your back! Call us today on 1300 136 036
